TValue™ 6

Amortization Software for Windows

SILENT FILE INSTALLATION INSTRUCTIONS

Thank you for being a user of TimeValue Software's TValue 6 software. To proceed, you will need an Enterprise registration key. If you didn't receive an Enterprise registration key but would like to do a silent install, please contact TimeValue Software at 800-426-4741 or email **support@TimeValue.com**. Below are the instructions to do a silent install using the TValue 6 EXE file or the TValue 6 MSI file.

Prerequisites

Unlike the TValue 6 EXE installer, the MSI installer does not install the program's prerequisites. In order for TValue 6 to run, these prerequisites must be installed. Here are the dependencies that will need to be installed before installing TValue 6 using the MSI file:

- Microsoft .NET Framework 4.5.1 (Offline Installer)
  https://www.microsoft.com/en-us/download/details.aspx?id=40779
- Microsoft Visual C++ 2010 SP1 Redistributable Package (x86)
  https://www.microsoft.com/en-us/download/details.aspx?id=26999
- Microsoft Report Viewer 2010 SP1 Redistributable Package
  https://www.microsoft.com/en-us/download/details.aspx?id=27231

Silent Installation

If you have an Enterprise registration key for TValue 6, then you can run the installer silently. Please change the "xxxxx-xxxxx-xxxxx-xxxxx" to the registration key provided to you.

.exe Silent Installation:

TValue6-02-Setup.exe /s /v"/l*v TValue-SetupInstall.txt /qn REGKEY=xxxxx-xxxxx-xxxxx-xxxxx"

- This must be run from an admin level command prompt.
- This command writes a verbose log file named TValue-SetupInstall.txt which will contain error messages if the installation fails.

.msi Silent Installation:

msiexec /i "TValue6-02-Setup.msi" /qn REGKEY=xxxxx-xxxxx-xxxxx-xxxxx /L*v TValueMSIInstall.txt

- If run from the command prompt, this must be run from an admin level command prompt.
- This command writes a verbose log file named TValue-MSIInstall.txt which will contain error messages if the installation fails.

Technical Support

If you have any questions, please contact TimeValue Software product support. Support specialists are available Monday-Friday, 7am-5pm Pacific Time.
